

PROJECT ACTIVITY LEVELS (PALS)

Project Activity Level (PAL) is a decision support tool designed to help fire and timber resource managers establish the level of industrial precaution for the following day.

Forest Seeks Comments on State OHV Grant

We want your comments! We hosted public meetings at the San Gabriel Canyon and Rowher Flats OHV areas on February 20th. We are seeking a state funded off-highway vehicle (OHV) grant and we are seeking input on what types of CA state OHV grants should be applied for.

More information about the grants can be found on the California Parks OHV website >

Information about California's Green and Red Sticker program can found on the state's OHV registration website >

\*A Second Comment Period opens March 8th through May 2nd.

ALERTS & WARNINGS

- F.O.# 05-01-22-01: Eagle Closure Area
F.O.# 05-01-21-06: E to VH
F.O.# 05-01-21-03: Bobcat Fire Closure

HIGHLIGHTS

Campfire Permits are required for open fires, such as campfire, barbecues and portable stoves on federally controlled lands and private lands that are the property of another person.

GET YOUR CAMPFIRE PERMIT

Where can I buy an Adventure Pass?

As of September 2016, forest visitors parked in standard amenity recreation fee sites in the four southern California national forests must display a valid recreation pass.

As listed in the "Recreation Enhancement Act," standard amenity fee sites are those that provide designated developed parking, picnic tables, toilet facilities, security, interpretive signs and trash receptacles.

Click on the button below to open an interactive map showing all of the recreation fee sites in the four southern California national forests.
